

1907 Success Auto-Buggy

Model 3 • 4 H.P. • Seats 2 • Just \$250 new

Built by the Success Automobile Mfg. Co., St. Louis, Missouri

Color it your way: classic and period-correct, a bold restomod, or all your own. What would you paint your Auto-Buggy today?

Colors I used:

Made for colored pencils or crayons. Not intended for markers or ink pens (they can bleed through the page).
